CLAY CITY, KY., THURSDAY, JUNE 17, 1909.

NO. 24.

COLLIVER-ADAMS.

Mr. John P. Colliver, of Salt Lick, and Miss Geneva Adams, of this city, were married in the parlor of the Red River Hotel of this city Wednesday, June 16 at 8 o'clock by the Rev. R. A. Irvin. After receiving congratulations the happy pair left for a bridal trip to some relatives of the bride in South Carolina. The bridal presents were very numerous.

The bride is the beautiful and youngest daughter of Judge and Mrs. W. T. Adams. The groom formerly lived in this city and is an ideal young business man.

Still at Large.

Wm. Sparks, formerly of this county, who last week killed J. S. Collins in Madison and then fled the county has not yet been caught. Governor Willson has offered a reward of \$200 for his capture and return to the authorities of Madison county.

The big dam across the river at this place was washed out Monday evening. Swann-Day Lumber Company had to close down their planing mill Tuesday morning and extend their supply pipe further into the river.

The sixteen-months-old son of Mr. and Mrs. Mike King died at their home on Black Creek Wednesday evening of summer complaint. The child will be buried at Powell's Valley Friday morning.

The highest June price for live hogs since 1882 was established Monday at the Chicago Union Stock Yards when best porkers sold at the long predicted figure of \$8.00 per hundred pounds.

Mrs. J. W. Chalfin and daughter, Miss Besse, of Sardis, Miss., are visiting relatives in this city.

The Gas Company Wins.

The Court of Appeals this week in the case McKinney heirs and others against the Central Kentucky Natural Gas Co. affirmed the decision of the Menefee Circuit Court. John W. McKinney, now deceased, and the heirs of D. R. McKinney and W. E. McKinney years ago acquired mineral leases on the land where the famous gas wells of the defendant company are now located and they sued for their title rights, claiming that the subsequent leases to the gas company were illegal. The company won in the lower court, and in affirming this decision, the higher court in its opinion says: "Mineral rights" include natural gas, yet there is nothing to show that the original owners intended to include natural gas at the time of the old lease, and that the intentions of the parties at that time must govern.

Beautiful Flower Beds.

The people of Powell county should thank the County Judge and County Attorney for three nice flower beds placed in the Court House yard by Andrew McMullens of Natural Bridge through the courtesy of the L. & E. Railway.

The Standard Spoke Company, of this city, has been incorporated. The new company will take over the business of the Clay City Spoke Company and resume operation in a short time.

The Rev. Robert N. Bush is attending the Lexington District Conference at Morehead this week while Mrs. Bush is visiting her parents at Winchester.

"Liberty Brand" Hats for Men and Boys in all the new shapes and shades. Hardwick & Co., Stanton.

DROWNED IN LULBEGRUD.

Friday night J. W. McIntosh and three of the Clemons boys went seining in Lulbegrud Creek just below the ford on the Iron Works pike. McIntosh and Vernon and Joe Clemons got into too deep a water. The youngest Clemons boy threw the seine to them and McIntosh caught hold of it and pulled out, while the other two young men were drowned. The bodies of the unfortunate victims were later recovered and were brought to their father's home at Virden where they were buried Sunday, funeral services being conducted by Elder M. P. Lowry.

New Lodge Instituted.

Camp No. 14143 Modern Woodmen of America was instituted in Clay City by J. W. Womack, of Winchester, District Deputy, on Monday night of this week. The following officers were elected and duly installed: Consul, J. H. O'Rear; Adviser, Rev. R. N. Bush; Bauker, O. C. Flynn; Clerk, G. Hackworth; Escort, Dillard Estes; Watchman, F. P. Adams; Sentry, Asa Burgher; Board of Managers, David Adams, J. C. Allen and J. Will Patton; Camp Physician, W. C. Martin.

We congratulate Mr. Womack on his good work. We did not think he could do it although he told us in the beginning he could. An institution officered by such men as the above must and will succeed.

Death of Mrs. Wilson.

Mrs. Susie Wilson, wife of W. W. Wilson, died Thursday morning after five months illness of tuberculosis at her home in Waltersville. Burial Friday afternoon at Powell's Valley. Besides her husband she leaves six small children, two sisters and one brother. Deceased was thirty-five years old and had been a member of the Christian church for sixteen years. Mr. Wilson has the sincerest sympathy of a host of friends.

Orphans at Lexington.

Mrs. Mary F. Hurd, matron of the Highland Orphanage took the sixteen little orphan children under her care to Lexington Saturday through the courtesies of the Lexington and Eastern Railway. They took in the various attractions of the Bluegrass capital and returned home Monday.

KASH-WHITE.

Commonwealth's Attorney Kelly Kash, of Jackson and Miss Nellie White, daughter of ex-Congressman J. B. White and sister to Editor J. R. White of the Irvine Herald, were married at Lexington Tuesday.

Impure Flour.

For the information and guidance of the manufacturers of and dealers in bleached flour and others concerned.

Flour bleached with oxides of nitrogen has been made the subject of careful investigation by the United States Department of Agriculture and by the State Food department as well. After a public hearing by the United States Department of Agriculture in November, 1908, it was the unanimous opinion of the Secretary of Agriculture and the Board of Food and Drug Inspection that flour bleached with nitrogen peroxide is an adulterated product under the Foods and Drugs Act of June 30, 1906.

As oxides of nitrogen are retained in the flour by this process of bleaching, flour so bleached is an adulterated product under Paragraph 5 of Section 4 of the Kentucky Food and Drug Law in that "it contains added poisonous ingredient which may render such article injurious to health." This Department holds, therefore, that the sale of flour bleached with oxides of nitrogen is in violation of the Kentucky Food and Drug Law.

McGUIRE-EATON.

Mr. W. T. McGuire and Miss Mary Graham Eaton both of this city were married at the bride's home in the presence of a number of friends at half past two o'clock Wednesday, June 16. Numerous presents were made. The Rev. R. A. Irvin performed the ceremony in his usual impressive manner. Mr. Dock Hall and Miss Mary Shimpfessel were the attendants. The couple left on the west bound afternoon train for a short bridal trip.

The bride is the oldest daughter of Mr. and Mrs. J. B. Eaton and is a most lovable girl. The groom is general manager of Swann-Day Lumber Company's store in this city and is a good business man with sober habits.

Mrs. J. Crews Rash is visiting her parents, Mr. and Mrs. Sebron F. Key at Mayfield, Ky.

TO THE PEOPLE OF POWELL COUNTY:

I am a prospective candidate for County Judge, and if nominated will make the race. I am being criticised for not indulging in and dealing out intoxicating drinks as it is customary for candidates to do. I don't criticize any one for taking a dram if they wish to do so. I never drank a drop of whiskey in my life as a beverage. I can't leave the course I have followed for 57 years just because I want an office. If I can't be Judge on that account, I can be right, but I have an inclination to want to be both.

The Republican platform last year declared for a reduction of the tariff and many Republicans besides the President at Washington are working hard for a reduced tariff which is for the benefits of the common people. But Senator Aldrich and Speaker Joe Cannon run the Republican party at Washington and they will prevent a reduction, but will get an increase in the Payne tariff bill. Republicans all over the country condemn such autocratic rule. Listen to what the Lexington Leader, the leading Republican paper of the State says:

"The Republican party is being weakened every day by the domination of Aldrich in the Senate and Cannon in House, and if it does not throw off their yoke the next Congress stands a strong chance of being Democratic. If that is the only way to get rid of two such legislative incubuses then the Republicans had better get ready to turn things over to the Democrats, as the people are growing thoroughly tired of Cannon and Aldrich and their ilk.

Don't fail to have Dr. Hamman fix your teeth. Satisfaction guaranteed.

"The people ought to understand that they are being robbed; that they are being taxed, though poor, to add to the swollen fortunes of the idle rich. I would like to talk to them until they understood that they are being fooled; that they are being lied to by Aldrich; that they are standing like patient pack-mules while the Aldriches, Roots and Gallingers of the Senate add more pounds to the burden of taxation, more dollars to the poor man's cost of living; more inequalities between the rich and the poor, more difficulties to the man who is struggling for his opportunities."—Robt. M. LaFollette, Republican Senator from Wisconsin.

We haven't read much lately about John Langley at Washington. We guess he is busy getting up our turnpike bill he promised us last fall. He is due to commence actual work in a short time.

The Louisville Post, Republican, says, Senator Aldrich is arrogant intolerant and indifferent to the American consumer, and that his one purpose is through the tariff, to increase the foraging privileges of the trusts, we all know. That he has suppressed all information that would enlighten the minds of the Senate, if the discussion were one of economic value, the whole tariff debate shows.

Virden.

People are through setting tobacco in this neighborhood.

Charlie Curtis, formerly of Pine Ridge, but now of Boonesboro, visited his uncle, C. C. Curtis this week.

We are having plenty of good growing showers but the farmers are getting pretty far behind with their work.

This neighborhood was shocked Friday night about ten o'clock when the news came that Vernon and Joe Clemons had drowned in Lulbegrud creek near West Bend. The two boys in company with Wm. McIntosh and Simpson Clemons went seining Friday night and in aiming to seine below the ford at West Bend they untuckily got in deep water; Vernon and Joe got into water over their heads. They immediately called for help. Simpson and McIntosh set to work trying to save the boys. The latter almost lost his life too. Simpson got hold of Bill, and started to the bank thinking that Bill had hold of Joe and Vernon. When they got to the bank Bill was unconscious being so nearly drowned himself. Joe and Vernon were still in the deep water and by the time other help got there they sank to rise no more. That was about 9 o'clock. Help soon came and by 10 o'clock the body of Joe was recovered, but Vernon was not found until 12 o'clock. They were carried to the railroad and put on a push car and brought home. They were brothers, Vernon 20 years old and Joe 18. They were excellent young

men, being civil and kind hearted always ready and willing to lend a helping hand to those in need.

They will be badly missed by their friends as well as their broken hearted father and mother, brothers and sisters.

Joe was a member of the Junior order at West Bend and was treasures of the Lodge. Vernon was formerly a member of the same order at Clay City. They were both members of the Virden Christian Church. Funeral services at the home on Sunday morning by Elder M. P. Lowry, of Winchester, and their bodies were laid to rest in the Virden burial grounds.

They leave father and mother four brothers and four sisters besides a host of friends and relatives. We can only say to the grief stricken family, cheer up, Vernon and Joe are gone but not forgotten.

It will pay you to look at our line of Men's, Boys' and Youth's Clothing before making your purchase.
